RECORDS OF THEO RIXON

This is an index of fieldbooks by Theo Rixon, now deceased, which were filmed by this office in 1982. The fieldbooks, which cover the Grays Harbor area, were in the possession of Theo's grandson, Tom Rixon of Port Angeles, WA. who intended to donate them to a local museum.

Film roll **B427** contains the information this index addresses and it can be found in the film roll cabinet in the vault.
