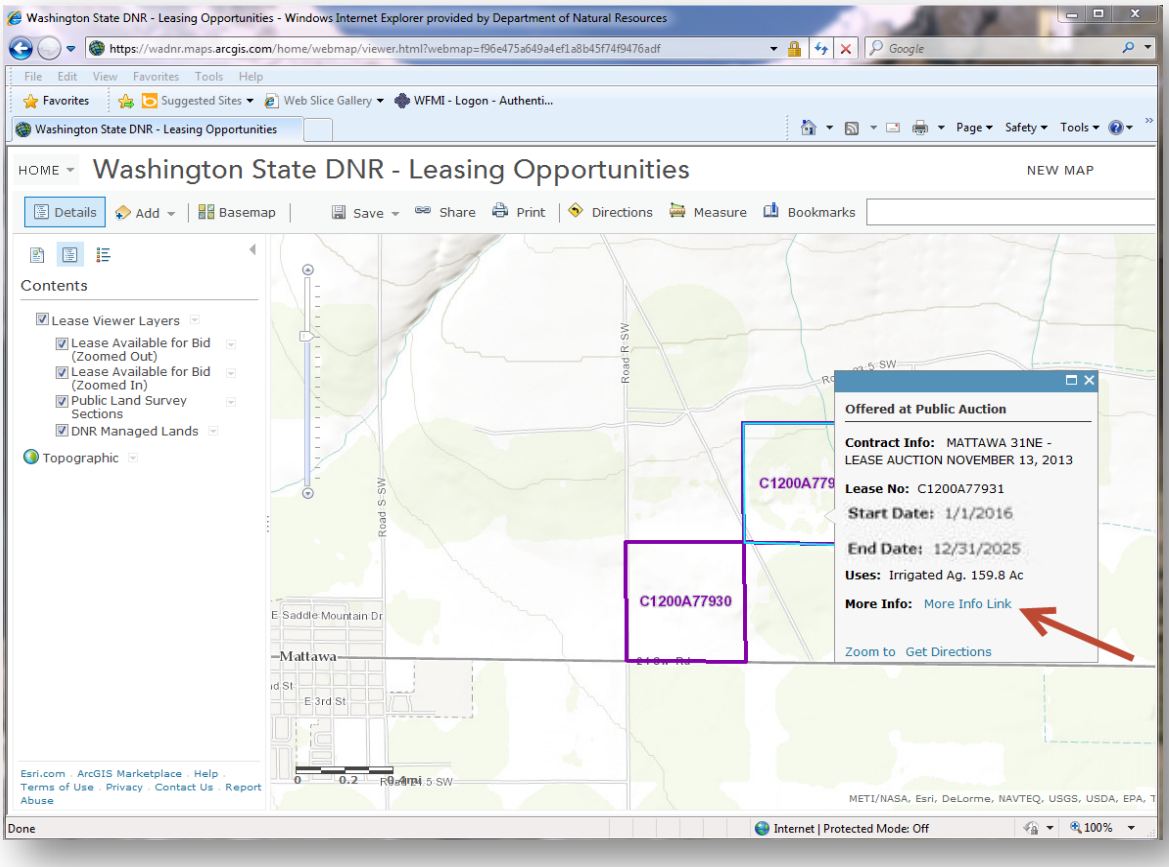
This viewing tool is hosted by ArcGIS online. It displays all agricultural and grazing leases on state trust land that will be offered for bid in upcoming months.

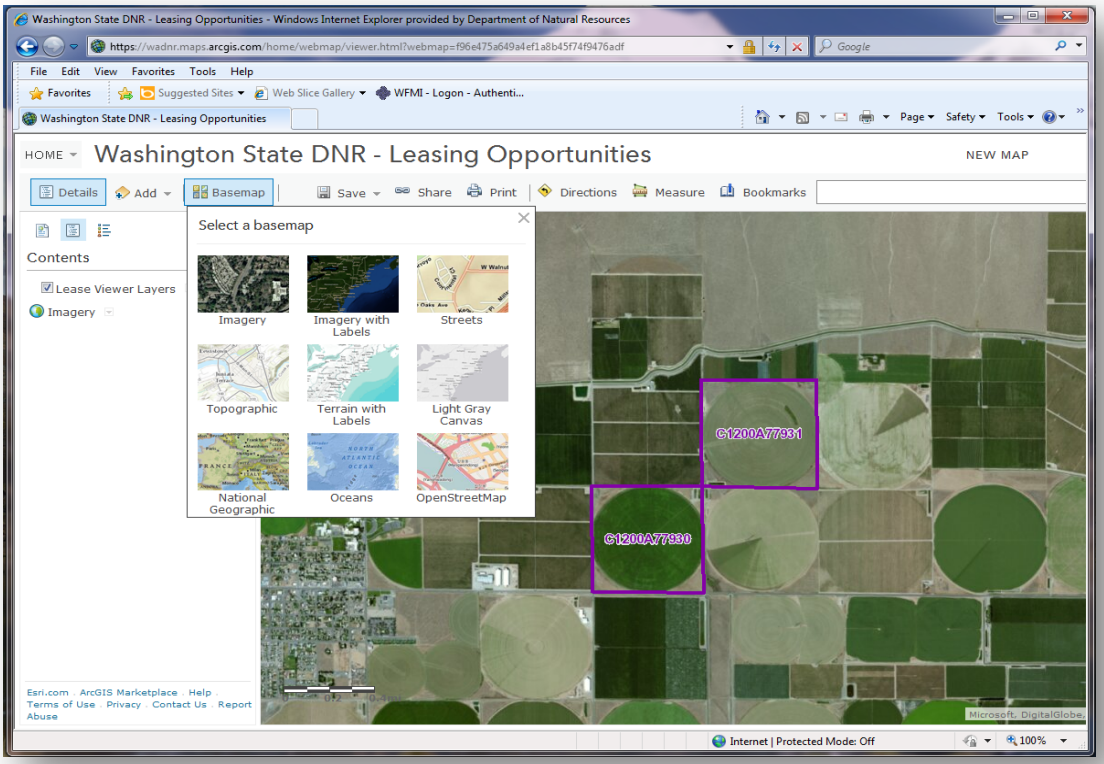
The detail in the map display will change as you zoom in and out.

Click on an individual lease area to bring up the lease information as well as a link to receive more information. If no information is displayed, the parcel is either not leased or not currently available for bid.

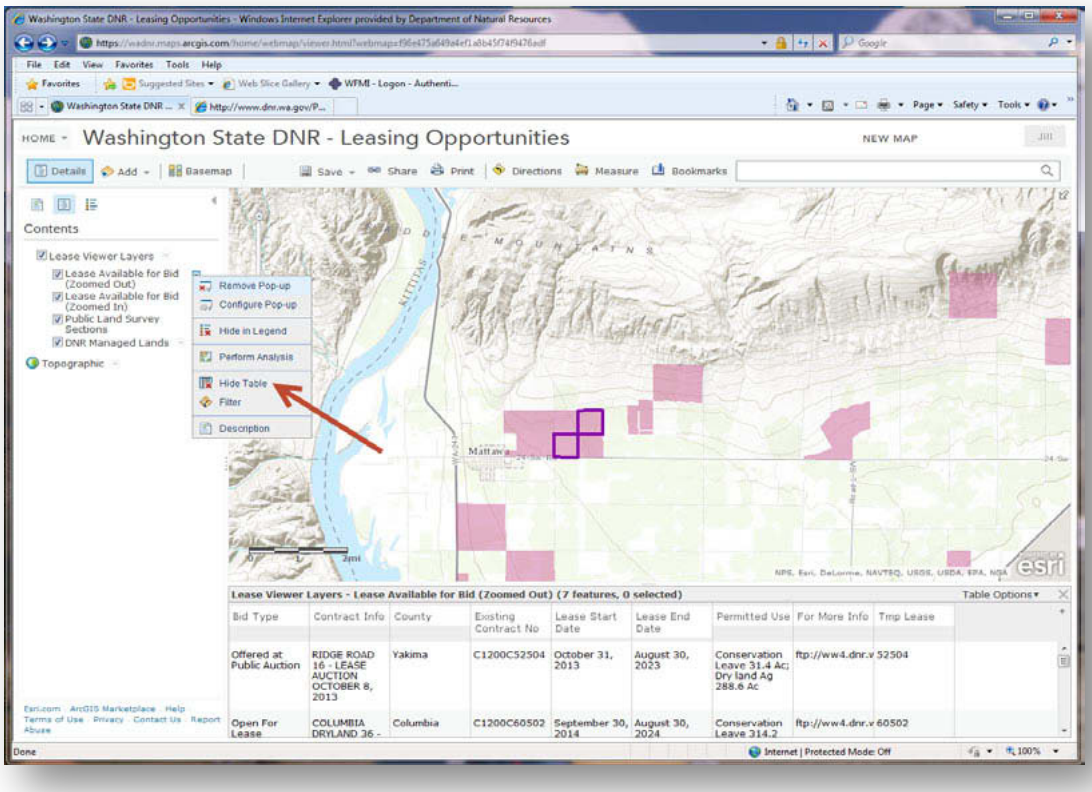


Clicking on "**More Info Link**" will direct you to an **FTP site** where documents pertaining to the lease can be viewed or downloaded.

Changing the **Basemap** provides access to a range of map options, including imagery from ESRI Online.



Click on the individual layers to open a searchable table.



These maps can also be viewed on your smartphone or tablet by downloading the appropriate ESRI App for your mobile device.
