**WAC 197-11-990 Notice of action.**

NOTICE OF ACTION

Notice is given under SEPA, RCW 43.21C.080, that the Department of Natural Resources (DNR) took the action described in (2) below on September 23, 2016

1. Any action to set aside, enjoin, review, or otherwise challenge such action on the grounds of noncompliance with the provisions of chapter 43.21C RCW (State Environmental Policy Act) shall be commenced on or before October 27, 2016.
2. Description of agency action: The action DNR is taking is the adoption of a Forest Land Plan for the management of state trust lands in the Olympic Experimental State Forest (OESF). Along with developing the forest land plan, DNR also will update existing procedures as needed and develop a new procedure for salvage of timber after natural disturbance events such as wind and fire.
3. Description of proposal (if not covered by (2)): Refer to 2 above.
4. Location of proposal (a sufficient description should be given to locate the site, if any, but a complete legal description is not required): State trust lands within the OESF, located in western Clallam and Jefferson Counties on the Olympic Peninsula, Washington.
5. Type of environmental review under SEPA (include name and date of any environmental documents):  
Olympic Experimental State Forest HCP Planning Unit Forest Land Plan Final Environmental Impact Statement.
6. Documents may be examined during regular business hours at (location, including room number, if any):  
DNR's SEPA Center, 1111 Washington Street SE, Olympia, WA 98504
7. Name of agency, proponent, or applicant giving notice:  
Washington Department of Natural Resources
8. This notice is filed by (signature of individual and capacity in which the person is signing):

Kyle Blum
