Retained.

Modified. Modifications to this threshold determination include the following:

Withdrawn. This threshold determination has been withdrawn due to the following:

Delayed. A final threshold determination has been delayed due to the following:

Summary of Comments and Responses (if applicable):

Received and reviewed SEPA comment from Wash. Department of Ecology dated March 23, 2016. If during operations, contamination is suspected, contact will be made to the Environmental Report Tracking System Coordinator at the Southwest Regional Office (SWRO). For assistance and information about subsequent cleanup and to identify the type of testing that will be required, contact Matthew Morris with SWRO, Toxic Cleanup Program 360-407-6300.
