**Notice of Final Determination**  
**Goose Gap/Red Mountain Development Project - Modified DNS**  
**SEPA File No. 15-090301**

The Department of Natural Resources issued a [ ] Determination of Non-significance (DNS), [ ] Mitigated Determination of Non-significance (MDNS), [X] Modified DNS/MDNS on December 22, 2015 for this proposal under the State Environmental Policy Act (SEPA) and WAC 197-11-340(2).

This threshold determination is hereby:

[X] Retained.

[ ] Modified. Modifications to this threshold determination include the following:

[ ] Withdrawn. This threshold determination has been withdrawn due to the following:

[ ] Delayed. A final threshold determination has been delayed due to the following:

Summary of Comments and Responses (if applicable): Comments were received requesting a professional archaeological survey of the areas to be developed. DNR agrees to have the professional survey done prior to the planned ground disturbances, and commits to the following:

- A commitment to stay away from any known and recorded burial site within the scope of the proposed area.
- A commitment to survey the properties prior to any ground disturbing activity.
- If issues arise, a commitment to tribal consultation, which may include the lessee.
- A commitment to inform and discuss with DAHP, should they so desire, regarding outcomes.
- A commitment to mitigate, if necessary, concerns pending the results of the survey and/or consultation and discussions.
