DETERMINATION OF NONSIGNIFICANCE

Description of proposal: This project is for construction of approximately 200 feet of new road, and use and betterment of approximately 4,559 feet of existing road on DNR managed lands. Approximately 73 mbf. of Right of Way Timber will be harvested. This is in association with Forest Practice Permit 2614580 and Road Use Permit 50-094659.

Proponent: Washington State Department of Natural Resources

Location of proposal, including street address, if any: Section 16, Township 29 North, Range 11 West, W.M. off of the FS-2922 Road.

Lead agency: Washington State Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030 (2) (c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

There is no comment period for this DNS

This DNS is issued under 197-11-340(2); the lead agency will not act on this proposal for 14 days from November 9, 2016. Comments must be submitted by November 23, 2016.
