

WASHINGTON STATE DEPARTMENT OF
Natural Resources
Peter Goldmark - Commissioner of Public Lands

Application for Use of State-owned Aquatic Lands

Applicant Name:	Seattle Department of Transportation
County:	King County
Water Body:	Elliott Bay
Type of Authorization - Use:	Easement and Right of Entry – Seawall renovations and installation of habitat features
Authorization Number:	Easement: 51-089146 Right of Entry: (pending)
Term:	Easement: In place until terminated Right of Entry: Five (5) years
Description:	This agreement will allow the use of State-owned aquatic lands for the sole purpose of reconstruction the Elliott Bay Seawall and installing habitat features, both of which are components of the Elliott Bay Seawall Project. It is located in Elliott Bay, in King County, Washington.

Application available upon request. The Easement will authorize the installation of two to three habitat features in the area indicated by the vicinity map. The Right of Entry will authorize construction barges to station within the harbor area as indicated by the vicinity map. Interested parties are encouraged to review the Seattle Department of Transportation's Seawall website for additional information.

- For general information, including details of the activities which will be performed on State-owned aquatic lands as authorized by this Right of Entry:
