Decisions/Action Items:

Small Forest Landowner Policy Sub Group: The Policy Small Forest Landowner (SFL) sub-group has developed a recommended SFL legislative strategy. This will be sent out to Policy members for review. Comments are to be sent into Marc Engel for the Policy SFL sub-group. The SFL legislative strategy comments will be incorporated and finalized. The recommended SFL legislative strategy will be presented to Representative Blake.

CMER: Policy members agreed to the objectives of *The Type N Experimental Buffer Treatment Project in Soft Rock Lithologies in Western Washington Project Charter*. Chris Mendoza will edit and reformat the charter. Stephen Bernath will send suggested language changes into Chris Mendoza.

UPSAG: Policy members agreed to continued discussion and clarify direction.

Co-Chairs CMER & SAGE: DNR and Ecology will discuss co-chair considerations for FY 2011.
