Special Board Meeting (Field Tour) – November 1, 2022

Port Blakely Tour, Kamilchee Washington

Please note: The field tour provides the opportunity for Board members to learn about ongoing and future topics. This field tour will provide the Board an opportunity see how the current harvest Type Np water buffer rule is applied in the field and alternatives for how the rule could be modified in the future. The field tour will not be recorded. **No public comment will be taken and no Board action will occur during the tour.**

Notice to Public: Members of the public who wish to attend the field tour are encouraged to make a reservation by calling Patricia Anderson at 360.890.0277 by **October 28, 2022**. Please dress for the weather and wear shoes with ankle support. Hard hats and high visibility vests are required.

The field tour will be on narrow forest roads requiring off-road vehicle tires and since a limited number of vehicles can be accommodated, carpooling is encouraged. Public attendees are responsible for their own transportation, lunch, hard hat and safety vest. Detailed agenda and tour maps will be available on the morning of the tour.
