Washington Forest Protection Association

724 Columbia St. NW, Suite 250
Olympia, WA 98501

Phone: (360) 352-1500

Directions (from both northbound and southbound I-5)

Follow I-5 to "State Capitol/City Center" exit (#105) which splits into 105A and 105B). Follow 105A, going through the light at Jefferson and through the tunnel under the state (DNR) parking garage, staying in the right lane. Turn right at the intersection after the tunnel and go north on Capitol Way.

Follow Capitol Way all the way through downtown Olympia to the end of the road (you will see the Farmer's Market building directly in front of you - large gray building with blue metal roof). Go right around the circle drive in front of the Farmer's Market (one-way road) and keep going around the circle until you are facing west.

Follow the road on the west side of the Farmers' Market to the Market Place parking lot (lot will be on your left in front of the four story rectangular cement building). (Anthony's Restaurant will be to the south of the Market Place Office Building.)

Park in slots marked "Market Place Visitor" in front of the building. If none are available, please park in lot directly behind Farmer's market.

Note:

With the legislature in session and the NRB visitor lot closed, parking near the NRB is extremely scarce. You may be able to leave your car at the WFPA office for the afternoon or in the metered lot at the Farmer's Market at the north end of Capitol Way. Look for designated stalls with green striping.

There is free bus service between the Farmer's Market near the WFPA office and the NRB. The busses are painted in bright colors and are called DASH. Service operates every 12 minutes, 6:45 a.m. to 7:15 p.m. Buses operate between the Capitol Visitors Parking Lot at Jefferson and Wheeler, through the Capitol Campus and to the Farmers Market. You can find a map at <http://www.intercitytransit.com/page.cfm?ID=0290> .
