Rivers and Habitat Open Space Program

Application Form for Conservation Easements Forest Lands Within Qualifying Critical Habitat Lands

General Instructions

Please fully read the document “Instructions for Completing the Rivers and Habitat Open Space Conservation Easement Application Form on Forest Lands Within Qualifying State Critical Habitat Lands” before completing this form. The document, as well as Forest Practices Board Manual Section 18 *Rivers and Habitat Open Space Program*, can be used to help determine whether your property meets the eligibility criteria for the Rivers and Habitat Open Space Program. If unsure, please contact the Conservation Easement Program Manager for the Department of Natural Resources, Forest Practices Division, see contact information below.

Please provide complete and accurate information in this application to help DNR staff evaluate whether the proposed easement area may qualify for this program. This application must include the following items:

- Completed and signed application form found on the following pages;
- Map(s) of the proposed qualifying critical habitat land(s) showing:
 - the approximate location of the lands.
 - the property boundaries of the parcel(s) occupied by the lands.
 - locations of all roads and/or trails to access the proposed lands.
- Any other documents required as indicated in the application.

Please send the completed application packet to:

Washington State Department of Natural Resources
 Forest Practices Division
 Rivers and Habitat Open Space Program
 P.O. Box 47012
 Olympia, WA 98504-7012

Incomplete, illegible or incorrectly completed applications will be returned for additional information before being processed. If you have questions about eligibility, the application, or the ranking process, please contact the Forest Practices Conservation Easement Program Manager, Dan Pomerenk at phone 360-902-1427 or e-mail:
