

SFLO Calendar of Events

Forest Owners Field Days - Field days feature a whole suite of our most popular forest stewardship workshops. The state's top forestry specialists will be offering hands-on field sessions throughout the day on a variety of topics that will help you to better understand, protect, enhance, and enjoy your forest.

- [Western Washington](#) (Raymond) - August 15, 2015
- [North Puget Sound](#) (Conway) – August 29, 2015
- [San Juan Islands](#) (Orcas Island)– September 26, 2015

Forest Stewardship Coached Planning – WSU's flagship course teaches landowners how to assess your trees, avoid insect and disease problems, and attract wildlife. State experts will help you develop your own Forest Stewardship Plan to keep your woods on track to provide enjoyment and income for years to come.

- [Preston](#) - Tuesday evenings starting September 22.
- [Langley](#) - Thursday evenings starting October 8.

Science Updates for Foresters Webinar: What Log Buyers Want - Wood processing facilities are highly specialized and efficient manufacturing facilities. Whether the timber is sold to a logger or directly to a mill, the landowner should be familiar with who potential buyers and users are and the specifications of the products they are interested in buying. In this webinar you will learn about West Coast log grades, mills that purchase DNR logs, and the kinds of products those mills produce.

- September 15, 2015, 3:00 to 4:00 PM – For more information, contact Ralph Johnson, Division of Forest Resources Forestry Training Manager, at ralph.johnson@dnr.wa.gov or 360-902-1644
