

# Washington's Natural Areas

▲ Natural Resources Conservation Area (NRCA)

● Natural Area Preserve (NAP)

AS OF MARCH 2017

## Exceptional Places

Quality examples of Washington's native grasslands, woodlands, marshes and more are protected in natural areas managed by the Department of Natural Resources (DNR). These special sites offer opportunities for research and education. Some have interpretive or recreation trails. Others require DNR permission to visit because features are sensitive to human disturbance.
