Effects of Management on Riparian Species Habitat

Federal Agencies

NOAA Fisheries, Northwest Fisheries Science Center

Effects on Summer Stream Temperature

Pollock, M.M and D. Werner. 2003. Comparison of summer stream temperatures in managed and unmanaged watersheds of the western Olympic Peninsula. U.S. Commerce Department, National Oceanic and Administrative Agency, National Marine Fisheries Service. Unpublished report.

Pollock, M.M., S.Baker, R. Bigley, and W. Scarlett. 2004. Summer stream temperatures in the Olympic Experimental State Forest, 2004 report. Washington State Department of Natural Resources. Unpublished report.

US Fish and Wildlife Service, Pacific Region

Effects on the Quinault Indian Reservation

Dilley, S.J. 1987. Relation between prescribed slash burning and stream temperatures on the Quinault Indian reservation, a preliminary study . U.S. Department of Interior, Fish and Wildlife Service. Unpublished report.

Fender, D.C., and S. Dilley. 1979. An evaluation of five years of logging recommendations for aquatic habitat protection on the Quinault Indian Reservation . U.S. Department of Interior, Fish and Wildlife Service, Fisheries Assistance Office. Unpublished report.

US Forest Service, Regional Ecosystem Office

Adequacy of NWFP Riparian Reserves

U.S. Forest Service and U.S. Bureau of Land Management. 2003. Efficiency analysis for stream temperature, evaluation of the adequacy of the Northwest Forest Plan riparian reserves to achieve and maintain stream temperature water quality standards. U.S. Department of Agriculture, Forest Service. Unpublished report.

NWFP Aquatic and Riparian Effectiveness Monitoring

Gallo, K., C. Moyer, and S. Lanigan. 2002. Interagency regional monitoring, Northwest Forest Plan aquatic and riparian effectiveness monitoring program, 2001 pilot report. U.S. Department of Agriculture, Forest Service, Aquatic and Riparian Effectiveness Monitoring Team. Unpublished report.

Gallo, K., C. Moyer, and S. Lanigan. 2003. Interagency regional monitoring, Northwest Forest Plan, aquatic and riparian effectiveness monitoring program, 2002 annual report. U.S. Department of Agriculture, Forest Service, Aquatic and Riparian Effectiveness Monitoring Core Team. Unpublished report.

Lanigan, S., C. Moyer, K. Gallo, and P. Gruendike. 2007. Aquatic and Riparian Effectiveness Monitoring Program, interagency monitoring program, Northwest Forest Plan, 2007 annual technical report. U.S. Department of Agriculture, Forest Service, Aquatic and Riparian Effectiveness Monitoring Team. Unpublished report.

Moyer, C., K. Gallo, and S. Lanigan. 2004. Interagency regional monitoring, Northwest Forest Plan, Aquatic and Riparian Effectiveness Monitoring Program, 2003 annual technical report. U.S. Department of Agriculture, Forest Service, Aquatic and Riparian Effectiveness Monitoring Team. Unpublished report.

Moyer, C., S. Lanigan, K. Gallo, J. Chambers, and K. Fausti. 2005. Aquatic and Riparian Effectiveness Monitoring Program, interagency monitoring program, Northwest Forest Plan, 2004 annual technical report. U.S. Department of Agriculture, Forest Service, Aquatic and Riparian Effectiveness Monitoring Team. Unpublished report.

Moyer, C., S. Lanigan, K. Gallo, P. Eldred, and J. Chambers. 2006. Aquatic and Riparian Effectiveness Monitoring Program, interagency monitoring program, Northwest Forest Plan, 2005 annual technical report. U.S. Department of Agriculture, Forest Service, Aquatic and Riparian Effectiveness Monitoring Team. Unpublished report.

Moyer, C., S. Lanigan, K. Gallo, P. Eldred, K. Fausti, P. Gruendike, and J. Chambers. 2007. Aquatic and Riparian Effectiveness Monitoring Program, interagency monitoring program, Northwest Forest Plan, 2006 annual technical report. U.S. Department of Agriculture, Forest Service, Aquatic and Riparian Effectiveness Monitoring Team. Unpublished report.

Reeves, G.H., D.B. Hohler, D.P. Larsen, D.E. Busch, K. Kratz, K. Reynolds, K.F. Stein, T. Atzet, P. Hays, and M. Tehan. 2004. Effectiveness monitoring for the aquatic and riparian component of the Northwest Forest Plan, conceptual framework and options. U.S. Department of Agriculture, Forest Service, Pacific Northwest Research Station. PNW-GTR-577.

NWFP Interagency Regional Monitoring

Interagency Regional Program Monitoring Team. 2000. Interagency regional monitoring, overview. U.S. Department of Agriculture, Forest Service, Pacific Northwest Research Station. Unpublished report.

Interagency Regional Program Monitoring Team. 2002. Annual report 2001, interagency regional monitoring, Northwest Forest Plan. U.S. Department of Agriculture, Forest Service, Pacific Northwest Research Station. R6-NWFP-TP-08-02.

Interagency Regional Program Monitoring Team. 2003. Annual report 2002, interagency regional monitoring, Northwest Forest Plan. U.S. Department of Agriculture, Forest Service, Pacific Northwest Research Station. R6-RPM-TP-02-03.

Interagency Regional Program Monitoring Team. 2004. Annual report 2003, interagency regional monitoring, Northwest Forest Plan. U.S. Department of Agriculture, Forest Service, Pacific Northwest Research Station. R6-RPM-TP-06-2004.

Interagency Regional Program Monitoring Team. 2005. Annual report 2004, interagency regional monitoring, Northwest Forest Plan. U.S. Department of Agriculture, Forest Service, Pacific Northwest Research Station. R6-RPM-TP-07-05.

Interagency Regional Program Monitoring Team. 2006. Annual report 2005, interagency regional monitoring, Northwest Forest Plan. U.S. Department of Agriculture, Forest Service, Pacific Northwest Research Station. R6-RPM-TP-05-2006.

Salmon Recovery Funding Board

Monitoring the Effectiveness of Habitat Protection Projects

Crawford, B.A. 2004. Protocol for monitoring effectiveness of habitat protection projects, channel connectivity. Salmon Recovery Funding Board. MC-6.

Crawford, B.A. 2004. Protocol for monitoring effectiveness of habitat protection projects, instream habitat projects. Salmon Recovery Funding Board. MC-2.

Crawford, B.A. 2004. Protocol for monitoring effectiveness of habitat protection projects, riparian plantings. Salmon Recovery Funding Board. MC-3.

Crawford, B.A. 2004. Protocol for monitoring effectiveness of habitat protection projects, fish passage projects. Salmon Recovery Funding Board. MC-1.

Crawford, B.A. 2004. Protocol for monitoring effectiveness of habitat protection projects, livestock exclusions. Salmon Recovery Funding Board. MC-4.

Crawford, B.A. 2004. Protocol for monitoring effectiveness of habitat protection projects, constrained channels. Salmon Recovery Funding Board. MC-5.

Crawford, B.A. 2004. Protocol for monitoring effectiveness of habitat protection projects, land parcel biodiversity health. Salmon Recovery Funding Board. MC-10.

Crawford, B.A. 2004. Protocol for monitoring effectiveness of habitat protection projects, instream diversions. Salmon Recovery Funding Board. MC-8.

Crawford, B.A. 2004. Protocol for monitoring effectiveness of habitat protection projects, spawning gravel. Salmon Recovery Funding Board. MC-7.

Tetra Tech, Inc. 2005. Salmon recovery funding board reach-scale effectiveness monitoring, 2004 annual progress report. Salmon Recovery Funding Board. Unpublished report.

Tetra Tech, Inc. 2006. Salmon recovery funding board reach-scale effectiveness monitoring, 2005 annual progress report. Salmon Recovery Funding Board. Unpublished report.

Tetra Tech, Inc. 2007. Salmon recovery funding board reach-scale effectiveness monitoring, 2006 annual progress report. Salmon Recovery Funding Board. Unpublished report.

Washington State Department of Natural Resources, Land Management Division

Assessing Windthrow in Riparian Buffers

Bigley, R.E. 1998. HCP effectiveness monitoring pilot project, assessing windthrow in riparian management zones. Washington State Department of Natural Resources. Unpublished report.

Rose, C., R.E. Bigley, and G.F. Wilhere. 2000. Monitoring riparian forest integrity, effectiveness monitoring for the Washington State Department of Natural Resources Habitat Conservation Plan. Washington State Department of Natural Resources. Unpublished report.

Bookman Creek Wetlands Hydrology Project

Berlin, D.J. 2000. A hydrologic perspective of implications of clearcutting on a forested slope wetland. Duke University. Master's thesis.

Effectiveness Monitoring of Unstable Slopes

Hannell, C. 2003. Unstable slopes implementation and effectiveness monitoring pilot project for state lands. Washington State Department of Natural Resources. Unpublished report.

North Fork Calawah Riparian Restoration

Springwood Associates, Inc. 2000. Silviculture for restoring riparian ecosystems, field manual. Springwood Associates, Inc. Field manual.

Springwood Associates, Inc. 2002. Silviculture for restoring riparian ecosystems, North Fork Calawah River, final report. Springwood Associates, Inc. Unpublished report.

Riparian Silviculture Effectiveness Monitoring

Bigley, R.E. 2007. Salmon PC riparian silviculture effectiveness monitoring. Washington State Department of Natural Resources. Personal communication.

Bigley, R.E. 2007. H1320 PC riparian silviculture effectiveness monitoring. Washington State Department of Natural Resources. Personal communication.

Washington State Department of Natural Resources, Forest Practices Division

Effectiveness of Forest Practices on Sediment Production

Pentec Environmental, Inc. 1991. Methods for testing effectiveness of Washington forest practices rules and regulations with regard to sediment production and transport to streams. Timber, Fish and Wildlife. TFW-WQ8-91-008.

Effects of Hardwood Conversion on Stream Temperature

Hunter, M. 2008. Riparian hardwood conservation study, stream temperature monitoring. Timber/Fish/Wildlife Cooperative Management, Evaluation, and Research Committee. Unpublished report.

Effects on Deep-Seated Landslides

Koler, T.E. 1992. Literature search of effects of timber harvest to deep-seated landslides. Timber/Fish/Wildlife Cooperative Management, Evaluation, and Research Committee. TFW-SH5-91-001.

Effects on Sediment-Related Water Quality

Rashin, E., C. Clishe, A. Loch, and J. Bell. 1994. Effectiveness of forest road and timber harvest best management practices with respect to sediment-related water quality impacts, interim report 2. Timber/Fish/Wildlife Cooperative Management, Evaluation, and Research Committee. TFW-WQ8-94-001.

Rashin, E., C. Clishe, A. Loch, and J. Bell. 1999. Effectiveness of forest road and timber harvest best management practices with respect to sediment-related water quality impacts. Timber/Fish/Wildlife Cooperative Management, Evaluation, and Research Committee. TFW-WQ6-99-001.

Rashin, E., C. Clishe, A. Loch, and J. Bell. 1999. Effectiveness of forest road and timber harvest best management practices with respect to sediment-related water quality impacts, appendices. Timber/Fish/Wildlife Cooperative Management, Evaluation, and Research Committee. TFW-WQ6-99-002.

Rashin, E., J. Bell, and C. Clishe. 1993. Effectiveness of forest road and timber harvest best management practices with respect to sediment-related water quality Impacts, interim report 1. Timber/Fish/Wildlife Cooperative Management, Evaluation, and Research Committee. TFW-WQ8-93-001.

Hydrologic Impact of Forest Roads at Various Scales

Coe, D. 2005. The hydrologic impacts of roads at varying spatial and temporal scales, a review of published literature as of April 2004. Nooksack Indian Tribe. Unpublished report.

Recovery of Selective Salmonid Habitat Attributes

Morgan, A. and D. Smith. 1997. Trends in disturbance and recovery of selective salmonid habitat attributes related to forest practices: literature review and monitoring recommendations. Timber, Fish and Wildlife. TFW-AM9-97-002.

Riparian Desired Future Condition Targets

Fairweather, S. 2001. Westside RMZ's and the DFC model, documentation of their conceptual and methodological development. Cooperative Monitoring, Evaluation and Research Committee, Riparian Scientific Advisory Group. TFW-RSAG1-01-001.

Schuetz-Hames, D., R. Conrad, and A. Roorbach. 2005. Validation of the western Washington riparian desired future condition performance targets in the Washington State forest practice rules with data from mature, unmanaged, conifer-dominated riparian stands. Cooperative Monitoring, Evaluation and Research Committee, Riparian Scientific Advisory Group. CMER #05-507.

Type N Stream Experimental Buffer Treatments

Ehinger, W. and S. Estrella. 2007. Addressing buffer effectiveness on riparian inputs, water quality, and exports to fish-bearing waters in basaltic lithologies. Washington State Department of Ecology. Unpublished report.

Ehinger, W. and S. Estrella. 2007. Quality assurance project plan, type N experimental buffer treatment study: addressing buffer effectiveness on riparian inputs, water quality, and exports to fish-bearing waters in basaltic lithologies. Washington State Department of Ecology. 07-03-103.

Grotefendt, R.A. 2007. Suitability of aerial photography for riparian buffer monitoring. Timber/Fish/Wildlife Cooperative Management, Evaluation, and Research Committee. Unpublished report.

Hayes, M.P., W.J. Ehinger, R.E. Bilby, J.G. MacCracken, R. Palmquist, T. Quinn, D. Schuetz-Hames, and A. Storer. 2005. Type N experimental buffer treatment study, addressing buffer effectiveness on stream-associated amphibians, riparian inputs and water quality, and exports to and fish in downstream (type F) waters in basaltic lithologies. Cooperative Monitoring, Evaluation and Research Committee. Unpublished report.

Waterstart, F. T., E. M. Lund, A. Q. Yost, A. P. McIntyre, T. L. Hicks, M. P. Hayes, T. Quinn. 2008. Pre-harvest physical characteristics of basins for the Type N experimental buffer treatment study. Cooperative Monitoring, Evaluation and Research Committee. Unpublished report.

Watershed Analysis Monitoring Pilot Project

Schuetz-Hames, D. and A. Pleus. 1996. Watershed analysis monitoring, pilot project evaluation. Timber, Fish and Wildlife. TFW-AM9-96-003.

Schuetz-Hames, D., N. Sturhan, K. Lautz, R. McIntosh, M. Gough, and C. Rodgers. 1996. Proposal for a TFW monitoring strategy to determine the effectiveness of forest practices in protecting aquatic resources. Timber, Fish and Wildlife. TFW-AM9-96-007.

Tribal Governments

Hoh Indian Tribe

Effects of Debris Flows on Benthic Habitat

Hatten, J. 1991. The effects of debris torrents on spawning gravel quality in tributary basins and side-channels of the Hoh River, Washington. Hoh Indian Tribe. Unpublished report.

McHenry, M.L. 1991. The effects of debris flows on macroinvertebrate populations in tributary basins of the Hoh River basin, Washington. Northwest Indian Fisheries Commission and Hoh Indian Tribe. Unpublished report.

Effects of Logging on Stream Temperatures

Hatten, J. 1992. The effects of logging activities on stream temperatures in tributaries of the Hoh River basin, Washington, final report 1991 temperature pilot study. Hoh Indian Tribe. Unpublished report.

Northwest Indian Fisheries Commission

Effects on Summer Stream Temperatures

Hatten, J.R. and R.H. Conrad. 1995. A comparison of summer stream temperatures in unmanaged and managed sub-basins of Washington's western Olympic Peninsula. Northwest Indian Fisheries Commission. Northwest fishery resource bulletin; project report series no. 4.

Recovery of Riparian Habitat Attributes

Morgan, A. and D. Smith. 1997. Trends in disturbance and recovery of selected salmonid habitat attributes related to forest practices, a literature review and monitoring recommendations. Northwest Indian Fisheries Commission. Unpublished report.

TFW Effectiveness Monitoring Program

Sasich, J. 1998. TFW-EMEP monitoring effectiveness of forest practices and management systems: mass wasting study design guidelines, procedures and methods. CPSS Resources. Unpublished report.

Schuett-Hames, D., N. Sturhan, K. Lautz, R. McIntosh, M. Gough, and C. Rodgers. 1996. Proposal for a TFW monitoring strategy to determine the effectiveness of forest practices in protecting aquatic resources. Northwest Indian Fisheries Commission. TFW-AM9-96-007.

Smith, D. and D. Schuett-Hames. 1998. TFW-EMEP monitoring effectiveness of forest practices and management systems, riparian large woody debris recruitment and shade. Northwest Indian Fisheries Commission. Unpublished report.

Private Timberlands

Green Crow

Effects on Fine Sediment

Martin, D. 2007. Protocol for monitoring fine sediment in streams on private timberlands. Martin Environmental. Unpublished report.

Non-Government Organizations

10,000 Year Institute

Effects on Groundwater and Heat Transport

Olson, P.L. and J.A. Silver. 2005. Groundwater and heat transport in the Hoh River watershed, a pilot study on the impact of forest practices on ground and surface water interactions. Pacific Watershed Institute. Presentation.

Academic Institutions

The Evergreen State College

Effects of Forest Regulations on Salmon Habitat

Ayre, S.J. 1996. Washington forest practice rules and regulations for timber harvest along type 4 and 5 waters: how do they affect channel conditions and fish habitat?. The Evergreen State College. Master's thesis.

Wood, R.L. 2002. The effects of past forest management on salmonid habitat and the forestry riparian easement program. The Evergreen State College. Master's thesis.

University of Washington

Effects of Partial Harvesting

Murray, G.L., R.L. Edmonds, and J.L. Marra. 2000. Influence of partial harvesting on stream temperature, chemistry, and turbidity in forests on the western Olympic Peninsula, Washington. Northwest Science. 74(2): 151-164.

Effects of Riparian Disturbance on Seston

Elliott, S. 2000. The impact of riparian disturbance on physicochemical characteristics of seston. University of Washington. Master's thesis.

Elliott, S.R., R.J. Naiman, and P.A. Bisson. 2004. Riparian influences on the biophysical characteristics of seston in headwater streams. Northwest Science. 78(2): 150-157.

Effects of Stream Canopy Removal

Black, J. 2001. Summer temperatures in small stream sources on managed Olympic Peninsula timberlands. University of Washington. Master's thesis.

White, S.T. 1981. Taxonomic composition and phenology of the Chironomidae in stream ecosystems in relation to canopy removal. University of Washington. Doctoral dissertation.

Effects on Benthic Community Structure

Martin, D.J. 1976. The effects of sediment and organic detritus on the production of benthic macroinvertebrates in four tributary streams of the Clearwater River, Washington. University of Washington. Master's thesis.

Wasserman, L.J., C.J. Cederholm, and E.O. Salo. 1980. Impact of logging on benthic community structure in selected watersheds of the Olympic Peninsula. University of Washington. Unpublished report.

Effects on Sediment Discharge

Larson, A.G. and A. Wald. 1975. Hydrologic data summaries for the Clearwater River Basin, water year 1973-1974. University of Washington. Unpublished report.

Larson, A.G. and D.D. Wooldridge. 1979. Turbidity-suspended sediment relationships. University of Washington, Fisheries Research Institute. Unpublished report.

Larson, A.G. and H.J. Jacoby. 1976. Hydrologic data summaries for the Clearwater River Basin, water year 1974-1975. University of Washington. Unpublished report.

Effects on Stream Channel Condition

Ralph, S.C., G.C. Poole, L.L. Conquest, and R.J. Naiman. 1994. Stream channel condition and in-stream habitat in logged and unlogged basins of western Washington. *Canadian Journal of Fisheries and Aquatic Sciences*. 51: 37-51.

Long-Term Cumulative Effects on Water Quality

Paul, J. 1996. Long-term cumulative effects and water quality: a trend analysis examining the impacts of forest management and natural variability on three watersheds on the Olympic Peninsula. University of Washington. Master's thesis.

Non-Point Source Pollution in Forested Streams

Wooldridge D.D. and A.G. Larson. 1980. Suspended sediment from forest road construction, project completion report. University of Washington, College of Forest Resources. Unpublished report.

Wooldridge D.D. and A.G. Larson. 1980. Non-point source pollution in forest streams of the western Olympic Mountains, project completion report. University of Washington, College of Forest Resources. Unpublished report.

Wooldridge, D.D. 1980. Effects of forest harvest on sediment and water quality in the western Olympic Mountains, Washington. University of Washington, College of Forest Resources. Unpublished report.

Wooldridge, D.D. 1982. Effects of forest harvest on sediment and water quality, western Olympics, water year 1980-81. University of Washington, College of Forest Resources. Unpublished report.

Sediment Production from Gravel Surfaced Roads

Reid, L.M. 1981. Sediment production from gravel-surfaced forest roads, Clearwater Basin, Washington. University of Washington. University of Washington, Fishery Research Institute, FRI-UW-8108.

Reid, L.M. 1981. Sediment production from gravel-surfaced forest roads, Clearwater Basin, Washington. University of Washington. Master's thesis.

Reid, L.M. and T. Dunne. 1984. Sediment production from forest road surfaces. *Water Resources Research*. 20(11): 1753-1761.

Windthrow in Managed Riparian Buffers
