

Attention DNR Timber Purchasers

MAY 2016 TIMBER AUCTION UPDATE #4 — 5/20/2016

1. The [Lotta Strands](#) sale in **Northwest Region** has been updated. Section 11-1 of the road plan has been updated to add that blasting is not permitted in the locations listed under the clause due to the proximity of the Snohomish County PUD pipeline, **unless specifically authorized in writing by the State**. Also, new language has been added to Clause H-141 of the draft contract stating:

“If the Purchaser determines that blasting is necessary for road construction of the road segments listed in Section 11-1 of the Road Plan, the Purchaser shall obtain written approval and acceptance, of a Drill and Shoot Plan, from the Snohomish County PUD and assumes responsibility for all costs and damages associated with seeking such. Purchaser must provide the State with a copy of the Plan and written acceptance from the Snohomish County PUD indicating that a satisfactory plan has been consummated between Purchaser and the Snohomish County PUD prior to onset of any blasting operations associated with these roads.”

Effective 5/20/2016
