NANEUM RIDGE TO COLUMBIA RIVER RECREATION PLANNING AREA

Concept Map - Winter - September 2014

This is a map of multiple ideas that have been suggested by committee members at planning meetings. The suggestions are not approved by the agency or agreed to by the planning committee. These ideas are being shared between the committee members for discussion purposes.

Add non-motorized trails and play areas (determine access to area)

Develop new non-motorized parking

Existing Lilly Lake trailhead

Add non-motorized trails and back country access

Add non-motorized trails and play areas (determine access to area)

Existing snowmobile trails

Road open to motorized access

Season restriction for motorized vehicles

General Information:

** All areas shown for trail or facility development are intended to be general in nature and are subject to field verification.*

** All "trail areas" shown will include site-specific locations within them where condtions will preclude trail develpment.*

** All potential linkages to surrounding lands are subject to approval by the adjacent land owner. These linkages are not decisions that can be made by the Department of Natural Resouces in this planning effort.*

** This map shows a development concept for the recreation plan only. It does not illistrate enforcement, maintenance, or restoration strategies.*
