

Forest Health Hazard Warning Landowner Assistance Request Form

Technical assistance is available for all forest landowners in the warning areas to help landowners determine the health of their forest and develop management recommendations to reduce hazards.

Please fill out this form, and a DNR forester will be in touch with you about your forestland.

Name:

Address:

City, State, Zip:

Email Address:

Phone #:

Size of Ownership (please check one):

Less than 10 acres

10 to 40 acres

Greater than 40 acres

County (please select in which county you own forestland):

Ferry

Okanogan

Klickitat

Yakima

Do you own dense ponderosa pine, Douglas-fir or mixed conifer forests that you believe are at risk of damage from western spruce budworm and/or pine bark beetles?

Yes

No

Comments & Additional Information: If you have a preference as to when and how we contact you (email, phone, time of day), please indicate. Do you know your county parcel number (it's on your annual tax statement from the county)? If so, please list it here. If you have any additional information or comments, please share it with us.
