

Firefighter Property Program Equipment Request Form

1. To request equipment through the Firefighter Property (FFP) program, eligible Washington Fire Protection Districts/Departments must complete and submit this form.
2. For eligibility and other information on the program see "FFP Program" located on the DNR Fire District Assistance web page.
3. Completed forms **must be signed by the Fire Chief or a Commissioner**, and a signed copy submitted as an email attachment to fepp_assist@dnr.wa.gov
4. DNR will retain a list of requests. Unfilled requests will expire after one year. District/Departments are responsible to monitor their request expiration and submit a new request to assure their requests remain active.
