Firewise Communities Workshop offered by:
Spokane Conservation District
Washington State Department of Natural Resources
Washington State University Extension

Firewise Communities Workshop

INFORMATION AND REGISTRATION

April 18-19, 2013

**Quality Inn Valley Suites,
Spokane Valley**

The **Firewise Communities Workshop** is an interactive educational event for:

Architects
Bankers
City & County officials
Landscape architects
Emergency managers
Planners
Utility workers
American Red Cross staff
Realtors
Homeowners
Fire Professionals
Developers
Insurance agents
State public officials

What Will I Learn?

- How individuals and communities can reduce unnecessary losses from wildfires.
- DNR programs that offer assistance for identifying and removing hazardous fire fuels; chipping and disposal of tree parts and brushy vegetation; and creating defensible space around homes and neighborhoods.
- Take part in a computer-based interactive exercise to develop a mitigation plan for a fictional community facing catastrophic wild-fire.
- All participants who complete the workshop will receive free training materials.

Firewise Communities Workshop
