This color map is produced by the Washington Department of Natural Resources (DNR), for discussion purposes only. If the copy you have is in black & white, some of the information may not read correctly. Wetland locations are from the National Wetland Inventory (NWI) data base. They are incomplete and may require field verification.

The source data for this map are stored on the DNR's Geographic Information System. Although the DNR makes every reasonable effort to keep such data current, it cannot and does not accept liability for any errors or omissions. Therefore, no warranty accompanies this material.
